

ASPHALT PRICE INDEX

01/07

An asphalt index is established by the Department on the first Friday of each December for use in determining asphalt price adjustments for contracts that include the asphalt price adjustment special provisions. The asphalt index will be based on the average of the high and low posted selling prices for paving grade asphalt cement as reported by Poten & Partners, Inc. for the Rocky Mountain Wholesale – Rail FOB listing. MONTHLY ASPHALT PRICE INDEX

09/08

An asphalt index is established by the Department on the first Monday of each month based on the previous four week average as reported by Poten & Partners, Inc. for typical non-modified paving grades in Boise Area. The Base Price Index for the contract will be the value published for the last posted index preceding the bid opening date. Asphalt price adjustments for contracts that include the Asphalt Price Adjustment monthly index special provision dated September 2008 or later shall use these monthly values.
